Midsummer Shoot Results

19 June 2011

Field Captain: Eric Armfield

Deputy: Helen Jeory

Round: Western

Weather: diabolical at times. Intermittent squally showers, sun, overcast sky, wind. Basically your typical, unpredictable English June day.

All archers shot a Western round. Some problems experienced with visitor arrows losing piles. This was blamed on defective arrow construction (a bit of glue usually helps), not BAC's hard bosses!
