

BROMLEY ARCHERY CLUB

♥♥ Valentine's Day Shoot ♥♥ 16 February 2014

Weather: Bright and clear. A bit chilly earlier but warming up and a vast improvement on the storms we've had lately.

BAC Chat: Winners were awarded medals, appropriately coloured heart badges and chocolate hearts.

♥ National Winners – 60, 50 yards ♥

Longbow

<i>Ladies</i>	1 st	Helen Jeory	182

BROMLEY ARCHERY CLUB

Easter Warwicks Results

20 April 2014

The forecast was not brilliant and it ended up being a fairly hideous day weatherwise. Not only were the assembled company lashed with rain but they were also shooting in the opposite direction to normal. However, some good results and it was only 4 dozen! Happy Easter.

Warwick - 60 x 2, 50 x 2

BROMLEY ARCHERY CLUB

George Gard Clout 27 April 2014

180, 140, 100 yards / 1-5 scoring

Weather: mild but with a variable wind which changed direction every so often.

BAC's one-way, three dozen end clout held in honour of Chairman St George Gard. A fair bit of arrow borrowing going on today resulting to two of the longbow archers actually winning awards! Naturally, the owners of the arrows were keen to take the additional scores. After the competition there was a lot of interest in dislodging an errant arrow stuck up in a tree.

BROMLEY ARCHERY CLUB

That's Not A Longbow Shoot Results

11 May 2014

More fun in the woods. Great to see our friends from Lamorbey doing so well. They managed to decimate the wand! The wind played havoc out on the field and that's only one of a number of excuses that could have been used for any lapses in performance. What a shame we couldn't use that annoying golfer for a target. He would have had a sporting chance particularly if he'd kept moving! Yet another year with no flu-flus in the bucket. See you all next year for another try.

Marshalls: Thank you to Eric Armfield and Ben Secord for keeping everyone safe.

Weather: The rain held off but that was a bitterly cold wind particularly out on the Bromley steppes.

~Special thanks to Jean Armfield for the catering and Eileen Palmer for making sure the masses were fed.~

That's Not A Longbow - 11 May 2014

Another year, another failed flu-flu effort!

Putting out the targets in the woods.

A perfect opportunity to hit tree branches.

Dorian's wand-splitter and a great picture of our beloved trolley!

It looks like he's having a kip but Eric's actually doing a spot of DIY on the castle.

Midsummer Shoot Results

22 JUNE 2014

Field Captain: Michael Herschell

Weather: Sunny and hot. The breeze picked up a little but it was pleasant and helped to cool things down.

Thanks to everyone who helped make this a very successful and enjoyable shoot. Apart from arrows being lost (and found) in the grass there were no hold ups. Great to see our younger members winning some of the chocolate colour prizes!

BAC Regina Results

13 July 2014

God Save the Queen

What is it? BAC's nod to the tardiness of HM Queen Victoria. HM the Queen was late for an archery competition and the assembled company shot an extra three arrows at the end of the round, just as we did on this day.

Weather: The day started off with a little light rain but that soon cleared. We were left with a variable wind and warm to hot temperatures (they fluctuated as the cloud passed).

BROMLEY ARCHERY CLUB

RON PALMER TRIBUTE CLOUT RESULTS

10 August 2014

Weather: Awful. Hurricane Bertha she did howl. But it did clear up.

Lady Paramount: Eileen Palmer

The weather, courtesy of Hurricane Bertha, was abysmal. Upon commencement of sighters the heavens opened. Torrential rain poured upon us and we did get very wet. After repairing back to the sheds for some time, those that had not left attempted to return to the shooting line but were beaten back by more weather. Eventually we managed a soggy dozen and a half arrows and went for lunch. After Frazer's lovely barbeque and his crackingly good onion tart, we carried on for another 2½ dozen. The weather after lunch cleared but our arrows were beaten back by a rather strenuous wind. Many found it difficult to reach the clout compound. It also became rather warm for those still sporting wet weather gear. Well done to those who stayed all day. Ron probably had a good chuckle to himself. Many thanks to Frazer for the catering and gazebo.

180, 140, 100 yards - one way, 4 dozen

Scoring within compound: 1 point - grass, 2 points - shield, 5 points - clout

Peter Dallas Chairman

BROMLEY ARCHERY CLUB

AGINCOURT CLOUT RESULTS

26 October 2014

One way clout - 180, 140, 100 yards, 3 dozen arrows, GNAS scoring

Weather conditions: *Swirly wind, the sun came out at times in amidst heavy cloud and the temperature was fairly mild for the time of year.* 

The assembled company shot three dozen arrows after toasting King Henry V and our own Queen Elizabeth II. Some even dressed up in medieval garb. Coveted Agincourt dragons were awarded to first place winners. Many thanks to Jean for the lovely soup and Chairman St George for the sherry.

BROMLEY ARCHERY CLUB

Arnhem Shoot Results

9 November 2014

Buulstornment round – 1 arrow per end at 25 metres, 30 ends (3 sighter arrows)
Scoring is from 1 to 5, outer to inner circles.

Weather conditions: Sunny and really quite warm.

Two minutes silence was observed at 11am to remember those in our armed forces who have fought and those who are still fighting to preserve our freedom.

All archers shot traditional wooden bows and arrows in keeping with the Dutch round on which this competition is based. First place winners were awarded a returnable trophy. For the first time since the shoot started there was a tie for first place. It was agreed the ladies prize would be shared as they both scored the same number of petticoats. Generally scores were very close apart from Dorian who excelled himself!!

BROMLEY ARCHERY CLUB

BAH HUMBUG CHRISTMAS CLOUT RESULTS 14 DECEMBER 2014

- One way clout
- 180, 140, 100 yards
- 3 dozen arrows

Weather conditions: Very cold with a biting wind making shooting difficult.

Scoring: 5 clout, 3 bauble, 1 compound, -5 Father Christmas

A good turnout for the last club shoot of 2014. Father Christmas was safe this year at the side of the compound, so no negative points were awarded. There were no clouts but a lot of people managed to hit the Christmas baubles in the clout circle. Thanks to Jean for the mulled wine. Happy Christmas to everyone.

BROMLEY ARCHERY CLUB

2014 Away Shoots

A summary of away shoots attended by members of Bromley Archery Club

The Forgerons Roving Marks, Black Ven Farm, Nutley - 6 April

The forecast wasn't good and the day dawned with the same thing in mind. It was damp and the further we went into the countryside the worse it got. Thoughts of turning back were on our minds. Nutley is in Winnie the Pooh country and the closer we got to the venue, the thicker the fog became and the more the rain came down. However, on arrival at the farm, where these roving marks are shot, the rain had almost stopped and we were left with chilly but reasonable weather.

After a fortifying sherry and a catch up, the assembled archers set off. The terrain was lumpy and there were a variety of marks set into the landscape. They were not unattainable although some of us had a few issues judging distances! One mark was set on the other side of a large pond. To throw us off completely there is also a little island close to the other side. Some arrows ended up in the drink and drifted off towards the few ducks brave enough to have stayed on the water.

Lunch came and went and the weather brightened up in the afternoon. With more and different marks to shoot at and the rolling countryside peppered with our arrows, the day passed quickly. Cider and cake were provided and prizes handed out.

Helen Jeory - Second Light Bows

Steve Cheeseman - distance shoot for the men

Medieval Society Memorial Shoot, Leeds Castle - 13 April

Against the backdrop of Leeds Castle and a glorious day in prospect, seven Bromley longbows joined a large number of archers for the MedSoc's first shoot of the year. The company was convivial and the weather very clement. Apart from the groups of Segway riders trundling round the castle estate, there were very few hold ups for the competitors. The two MedSocs on horseback made sure that the area remained safe. Shooting over trees, up hills and down into valleys, there were some excellent opportunities for over and under shooting, and breaking and losing arrows in the long grass. A number of arrows will remain stuck high up in the trees where they hit in spite of efforts to retrieve them.

Helen Jeory, First - Light Bows

Steve Cheeseman, Second - Heavy Bows

Michael Herschell, Third - Heavy Bows

Medieval Society, St George's Day National, Belmont House - 26 April

As we have started to expect at this time of year, the weather forecast was not great. The day began drizzly and a bit chilly. However, as it progressed, the temperature warmed up and the wet weather gear was removed. On the lawn of Belmont House the assembled company of archers from various parts of the world,

including six BAC longbows, commenced what was the equivalent of a double Short National, 50 and 40 yards. We shot 6 dozen in the morning and another 6 dozen after lunch. There was a lot of laughter, competition was fierce and cries of "Alan" were heard throughout the day. Being a medieval Short National all arrows in the target score a point and any in the central Tudor rose are listed to settle tied scores.

Men and women shoot together as equals. **Roy Walker** managed **second** equal place with a lady! BAC hero of the day was Dave Gosling who has recently had to swap to shooting lefthanded and managed a very creditable score.

Roy Walker - Second Equal

BLBS Spring Clout - 24 May

There was variable weather as usual with rain, wind and sun all thrown in. BLBS rules demand no sighters and this two-way clout is split into two halves of three dozen ends. Prizes are awarded to the overall clout winner and winners of the first and second clouts.

Helen Jeory, Ladies 120 yards First Clout

LPA, Crecy Clout - 25 May

The weather stayed fine. Prizes are awarded regardless of distance so you can be shooting against someone at a lower distance. The Chalice prize is for the archer hitting closest to the mounted knight's heart during the first five ends. Another great lunch provided.

Helen Jeory - 1st Lady Longbow (140 yards)

Peter Clark - Chalice Challenge (180 yards, longbow)

Gravesend Archers 3rd Jubilee Western - 26 May

Bank holiday Monday and of course the weather was a bit iffy. Everyone complained again about how challenging the conditions were. Well the longbow archers did anyway! And all that waiting round for the recurves and compounds to finishshooting ... don't get us started. George and

Helen flew the flag again for Bromley and acquitted themselves very well. At least the rain only arrived when everyone was standing around waiting for prize giving and those with umbrellas ended up with lots of friends!

Helen Jeory - First Lady Longbow

Helen Jeory & George Gard - First Longbow Mixed Couple

West Kent Archery Association Albion - 7 June

The big news was the competitors were not washed away. The predicted rain petered out and we were left with a fine, sunny day at "The Butts" near Sevenoaks. The venue ground has been drained and the grass freshly sown so archers no longer have to slosh round in a quagmire or wade through muddy puddles.

The competition consisted of an Albion under BLBS rules, first shooting three arrows at targets at one end of the field and three arrows back toward targets at the opposite end of the field. This makes shooting more challenging as it's impossible to get any kind of consistency particularly when there is an unpredictable wind swirling round the field. However, the company was covivial and our host Bill was very amenable, providing sherry and snacks after the first three dozen at 80 yards and a light, late lunch after the competition.

Helen Jeory, First Lady Longbow

Chris Brook, Worst White 50 yards

Medieval Society, Hardy Roving Marks, Leeds Castle - 15 June

Another good turnout for what are always popular and well attended shoots. This one is held in honour of Robert Hardy who, along with his many television and film credits, is a longbow expert.

Apart from the great swatches of cut grass that were dragged around by the archers' feet causing sneezing and watery eyes for some, the day was full of different marks. From extreme long distances to very close targets, over trees, up hills and down into dells, the competitors were challenged constantly by the course. Bromley were again among the prize winners.

Denise Brook, First - Light Bows

David Shillito, Second - Light Bows

Roy Walker, Second - Heavy Bows

Medieval Society, Ron Palmer Memorial Roving Marks, Belmont House - 27 July

The day did not end up as hot as it could have been because of the extensive cloud cover, but it was close and muggy and some suffered with the heat. Rain had been predicted but this was limited to a brief interval of spitting much later.

As we have come to expect with the MedSoc roving marks shoots, there were a variety of challenging targets up hills, down dales and over trees. The grass on the Belmont House estate was very high and sheep had been let loose to graze in an attempt to clear some of it. This did cause a problem at one mark when three woolly stragglers galloped through the arrows. In spite of their efforts, they only managed to break one. Many of us ended up with impressive quantities of grass seed in our socks and shoes.

Competition was fierce. Denise (Brook) and Helen (Jeory) both managed to win a mark each. This is always an achievement when there are so many fine archers in attendance. Michael and Helen won first place for heavy and light bows respectively. Denise was second equal for the light bows with two other archers.

Michael Herschell, First - Heavy Bows

Helen Jeory, First - Light Bows

Denise Brook, Second Equal - Light Bows

Medieval Society Open Field Shoot - 17 August

A brilliant day's shooting out in the woods. A contingent of longbows attended and Denise Brook and Helen Jeory won silver and bronze respectively for the lady longbows.

Denise Brook - Second Lady Longbow

Helen Jeory - Third Lady Longbow

Evolution Archers Fun Clout - 6 September

A fun day out in Bickley clobbering the dastardly Professor Evo and his evil band of monsters. Maximum distance available is 140 yards so those who normally shoot 180 found it slightly challenging. Everyone shot 5 dozen arrows and Helen didn't miss the clout compound all day!! Bromley were triumphant winning three of the senior prizes. Only first and second prizes were awarded, and were regardless of distance shot.

Helen Jeory - First Lady

Michael Herschell - First Gent

Peter Clark - Second Gent

Leaves Green Spitfire - 26 September

It was calm day for the BLBS Western Spitfire shoot at Jail Lane. The field was buzzed a couple of times by a Hurricane (apparently the Spitfire was elsewhere) and an ancient Auster. The usual cries of "George, a Spitfire" were heard throughout the day. George was not fooled!! In spite of other archers using rubberbands and tennis ball sighting aids and some close scores, **Andy Barnes** won the much coveted wooden spoon for **Most Whites!**

Swan Soup Shoot - 11 October

Everyone was saying that it would rain. However, against the backdrop of Swanley's pretty church and graveyard, it stayed dry and the sun even shone for part of the morning. Three of Bromley's finest attended the shoot.

Soup was delivered after the first two dozen - always nice on the chillier days. The atmosphere was friendly and everyone gave their all.

One spurious claim was heard and soon quashed. No, you may not claim the score for the bouncer arrow and where it might have hit had it not bounced. You must claim the score of the replacement arrow that you have shot. If it missed, tough!

There was fierce competition in the raffle after the shoot. George did quite well as usual but had to give away half his prizes to Steve who'd had to leave early. As far as shooting prizes go, **Helen Jeory** won the **Ladies Longbow First** and shot a three gold end at 50 yards. An enjoyable day and recommended for any newer archers.

Rye Bowmen One-Way Clout - 30 November

It was a foggy day. The forecast had warned that the weather was turning into more wintry fare and for once they were quite right. The fog was very thick, it was cold and the day was very damp. Rye Bowmen made us welcome and their clout set up was a new one on all of us who had not been there before. All archers shot longbows.

Their maximum available distance is 140 yards and in the field behind the clout square three skittish horses lurked in the fog. They watched with great interest as arrows hurtled towards their paddock. Some went in, happily missing the horses, and the rest littered the area in and around the clout. For the younger archers and those not able to reach 140 yards, there were 100 and 50 yards as well. One point was scored for an arrow on the ground in the clout square and variable extra points for hitting the hanging target and wand in the centre, depending what colour the arrow stuck in. Andy, Roy and Helen all managed to hit these extra targets.

After lunch the fog did finally lift and there was a bit of sunshine and blue sky in amongst the clouds but it remained cold.

Due to there only being three ladies shooting at 140 yards, ladies and gentlemen were all scored as equals. When all had been totalled up **Helen Jeory** was **Second** overall.
