

## BROMLEY ARCHERY CLUB

### Nearly New Year Fun Shoot

31 December 2023

After shooting ten targets the heavens opened so we escaped to the containers for mulled wine. Once it stopped we carried on for another five. Sadly, the Donald target face disintegrated in the rain.

Novelty Christmas target faces and balloons which boosted the scores.  
10 for an ordinary one, 25 for the long ones. The long ones were very tricky.
