8 April 2012

A miserable day only brightened by the atmosphere among the assembled archers, although Madame Tricoteuse had a few things to say about that as well! At least there were plenty of Easter oeufs this year.

### **That's Not a Longbow Shoot Results**

20 May 2012

Well done to everyone who took part in yet another year of challenging targets. A few missing arrows but they'll probably turn up this time next year in the leaf litter. The forecasters got the weather completely wrong. It didn't rain and it wasn't too cold.

Thank you to everyone who arrived early to prepare the field for shooting.

A huge thank you to the Roy rabbit rabbit, our chief cook, and to Sue FQ Yeo for the cakes and Jean for organising.

Marshalls: Thank you to Eric Armfield and Michael Herschell for keeping everyone safe. Weather: Moderate wind and a bit chilly in the morning. Overcast but it brightened in the afternoon.

**George Gard Clout**  
**27 May 2012**

180, 140, 100 yards – 4 dozen

This two way clout was a late celebration of Chairman George's birthday. Some confusion about the second sighting end but everyone remained fairly calm and enjoyed the ambience of the day.

The weather was glorious but rather hot and noticeably windy shooting in one direction.

Thank you to PL Jean Armfield who forwent the pleasure of shooting to look after the younger juniors. Well done to one brave (older) junior, Sean, who shot at 180 yards.

Weather: hot and sunny just like the previous two years.

### **DIAMOND JUBILEE SHOOT RESULTS**

3 JUNE 2012

In honour of Her Majesty the Queen's 60<sup>th</sup> Jubilee, Bromley Archers held a never to be repeated fun shoot. The weather was terrible but the bunting went up and spirits remained high as everyone tried to hit a variety of royal-themed targets. The assembled group made a toast to the Queen after a large lunch and went out onto the soggy battlefield again for another go round.

Her Maj, not to be confused with our beloved monarch, made a surprise visit at lunchtime. She was a terrifyingly realistic Queenalike. Sadly, she was not able to stay for the prize giving due to her many other dubious commitments.

Specially commissioned diamond trophies were awarded to the lucky winners and the remaining cake was snaffled up.

### RON PALMER TRIBUTE FUN CLOUT RESULTS

12 August 2012

We remembered our dear friend Ron Palmer at this two way fun clout.

The weather was excellent with the sun shining and a warm breeze. Everyone was challenged by different wind directions at each end. Both compounds had shields on the ground for extra points and at one end a large knight guarded the keep. He remained safe from arrows behind the compound although some of the juniors had a few ideas about how to knobble him.

There was some excitement with the medals but that was resolved on the day. Due to the large number attending more duplicate awards than usual were given out.

A huge thank you to our champion caterers Jean Armfield and Michael Herschell. They fed the multitudes and kept everyone reasonably quiet.

### AGINCOURT CLOUT RESULTS

7 October 2012

Two way clout - 180, 140, 100 yards, 3 dozen arrows

Weather conditions: A beautiful sunny day with very little cloud.

With heavy dew still on the ground, the assembled company shot three dozen arrows after toasting King Henry V and our own Queen Elizabeth II. The weather was hot which seemed to dampen the scores somewhat. Coveted Agincourt dragons were awarded to first place winners.

Buulstornment round – 1 arrow per end at 25 metres, 30 ends (no sighters)

**Weather conditions:** Sunny but frosty first thing

Two minutes silence was observed at 11am to remember those in our armed forces who have fought and those who are still fighting to preserve our liberty.

All archers shot traditional wooden bows and arrows in keeping with the Dutch round on which this competition is based. First place winners were each awarded a returnable trophy which will be replaced with an Arnhem medal next year.

Weather conditions: windy and cold, slushy underfoot but at least it wasn't raining.

Withered arms notwithstanding, this year's shoot was postponed from its normal September slot.

Winners had to achieve a minimum of a Third Class score to qualify for a prize.

### CHRISTMAS CLOUT RESULTS

16 December 2012

- One way clout
- 180, 140, 100 yards
- 3 dozen arrows

**Weather conditions:** The sun was out but it was Somme-like (muddy and squelchy) underfoot after the previous day's rain.

**Field Captain:** Eric Armfield

There was a large turnout for the last club shoot of 2012. A number of archers dared to hit Father Christmas at this year's clout. Three Scrooge points were deducted for this offence and some, like Chairman George, lost their entire score for doing so! Once again, the knight guarding the back of the compound was fairly safe.

## BROMLEY ARCHERY CLUB

# 2012 Away Shoots

### *A summary of away shoots attended by members of Bromley Archery Club*

#### **MedSocs, Belmont House Roving Marks - 25 March**

A sizeable contingent of Bromley Archers (including one brave junior, Ella) attended the Roving Marks shoot at Belmont House. The company included some archers from France and about 85 archers in total. The morning started off very foggy but in spite of the damp and cold weather conditions everyone performed admirably, with some scores running very close. Bromley did well with **Helen Jeory First for the Light Bows** and **Michael Herschell Second for the Heavy Bows**.

#### **The Forgerons, Nutley Roving Marks - 1 April**

Another enjoyable day at Nutley. **Helen Jeory** won **Third for the Light Bows**.

#### **Fraternity, Hall Place Roving Marks - 15 April**

A small group of Bromley Archers attended the Fraternity's Easter Roving Marks shoot. The venue was stunning and the weather was generally pleasant although rather windy at times. No one managed to bag any of the large number of geese and pheasant that roam the estate. There were a few lost arrows but a good day was had by all. **Steve Cheeseman** won a very good **First for the Heavy Bows**. **Helen Jeory** won **Second place for the Light Bows**. And, Roy (rabbit, rabbit) Walker won a raffle prize!

#### **Gravesend Archers, Jubilee Western - 4 June**

Another day another Jubilee shoot. This time it was a Western round. The weather turned out to be very changeable again. Avoiding the raindrops and changing attire at various intervals during the day when the sun did emerge, Bromley managed to be in the medals. **Helen Jeory** won **Second place in the Ladies Longbow**, and **Helen Jeory and George Gard** came **Third as the Mixed Longbow Pair**.

#### **West Kent Archery Society, Jubilee Albion - 5 June**

The final day of the Jubilee weekend and a few Bromley archers went to WKAS for their Jubilee Albion. There was a minor technical hitch with a satnav in the morning meaning George and Helen nearly didn't make it. Another challenging day of weather. High winds shooting in one direction which were no so pronounced shooting the other way but it made 80 yards very difficult for many. After lunch conditions worsened, the clouds burst and the assembled archers got rather sodden. **Helen Jeory** managed **Second place** for the ladies and Dennis (**Denise**) **Brook** won **Worst White**. Well done to everyone for continuing through nine dozen.

## BAC 2012 Away Shoots continued/...

### County of Surrey Clout Championship - 18 August

Three Bromley archers ventured to Warlingham for the double one way clout. It was the hottest day of the summer so far and shooting was a bit of a challenge. However, **Steve Cheeseman** managed a very good **Third place on 180 yards** and **Helen Jeory** a creditable **Third place on 140 yards**. Terence Newman won a raffle prize and there were far fewer of those going round. All in all a very good day and we made a few new friends.

### The Forgerons, Nutley Roving Marks - 2 September

Six Bromley Archers ventured to Black Ven Farm for the shoot. It was a rather soggy day and, apart from the marks, there was a competition between Roy and Helen to see whose socks were wettest when the rung them out at lunchtime. It was too close to call. At least the afternoon was drier and everyone had a good tramp round the farm. At the end of the day **Steve Cheeseman** won **First place for the Heavy Bows**. **Helen Jeory** won **First place for the Light Bows** with **Denise Brook** a very close **Second place**. The team also managed to win a couple of raffle prizes. Well done team!

### MedSocs, Charlton Park - 14 October

A lovely October day starting cold but warming up beautifully. A good representation of Bromley longbows attended. In spite of the vagaries of errant sheep stampeding through parts of the course, scores were generally quite high and **Michael Herschell** and **Helen Jeory** ended up winning for their respective categories of **Heavy and Light bows**.

### Celtic Harmony - 25 November

**Steve Cheeseman** won overall **First place** at this invitation only clout and roving marks shoot.
